**SEN. MARIONNEAUX ANNOUNCES OVER \$1 MILLION IN  
CAPITAL IMPROVEMENTS HEADED TO ST. HELENA PARISH**

District 17 State Senator Robert Marionneau, Jr. (D-Livonia) has announced the results of this year's legislative session and declares it a success for St. Helena Parish.

St. Helena Parish will see an array of projects and improvements as a result of the 2007 legislative session totaling \$1,900,000.00. From HB 2, \$1,400,000.00 was allocated to the parish for projects such as court house renovations, road improvements, and a fire station and community center. St. Helena Parish will also receive \$500,000.00 from HB 1 for a Welcome Centers Program, tourist commission, and parish council.

Several major initiatives were also funded in the budget for the 2007-08 Fiscal year, such as \$157.6 million for teachers to reach the southern regional average, an average of \$2,375.00 per year for St. Helena Parish teachers, \$30 million for higher education, \$33.9 million for support workers, an average of \$1,000.00 per year, 142.6 million for state employees, an average of \$1,500.00 each, \$35.1 million for corrections, probation and parole officers, \$28.3 million for supplemental pay for police and firefighters, raising the monthly supplemental pay from \$300.00 to \$450.00.

"I am happy with the outcome of this session and that we were able to pass these bills which include significant appropriations for the parish. Senator Nevers and Representatives Tom McVea and Robbie Carter really helped guide these allocations through the process." said Sen. Robert Marionneau.

The projects listed in HB 2, the state capital outlay bill, details how cash and revenue from state bond sales will be used in the 2007-2008 fiscal year for construction, renovation and repair projects throughout the state. The projects included in HB 2 for St. Helena Parish totaled \$ 1,400,000.00 and include:
