

*“A special thanks to all the citizens of District 17 for giving me the opportunity of serving you for four more years in the Senate. I appreciate the overwhelming support you showed me election night by sending me back to the Senate with 83% of the vote. This victory was special to me because it showed that you approve of the job I have been doing as your State Senator. I promise to continue the work we began 8 years ago by continuing to lower taxes for working families, improve education, end government corruption, and fight crime.*

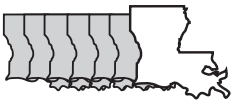

On behalf of my family and myself we want to say Thank You. I look forward to visiting with all of you over the next four years.”
