

CLEARING AWAY THE SMOKE

Senator Rob **MARIONNEAUX.**

Clearing away the smoke.

Senator Rob Marionneaux is literally clearing up the smoke filled rooms. His bill – **Smoke Free Restaurant Act** - cleared away the smoke from restaurants so children wouldn't be exposed to harmful second-hand smoke.

And, Marionneaux is clearing away the smoke so elected officials are subject to tougher ethics and financial disclosure laws.

Sometimes elected officials forget why they even ran for office.

BUT NOT ROB MARIONNEAUX.

Senator Marionneaux has taken on the fights that matter to Louisiana families to cut taxes, improve education, toughen ethics laws and preserve our quality of life. The politicians and high priced lobbyists in Baton Rouge may not like it... but Senator Rob Marionneaux is still fighting for us in the Senate.

Vote for ROB MARIONNEAUX.
